

Automated Fuel Delivery

Why?

- You will always have an adequate supply of fuel on hand
- Improves productivity and efficiency
 - Fuel is delivered automatically
 - No more checking tanks and ordering fuel
 - No more running out of fuel during peak production times
- Improves cash flow
 - Pay only for fuel you use each month
 - Less money tied up in fuel inventory

Includes automated delivery for:

Ruby Fieldmaster™ premium ag diesel fuel

Cenex Roadmaster™ premium highway diesel fuel

Unleaded gasolines

#1 and #2 fuel oil and diesel fuel

How?

- Fuel monitors are placed on your fuel tanks
- Continuous monitoring of your tank
- Monitor sends signal to the distribution center
- Delivery trucks routed via GPS technology

Billing options

- Pay for fuel delivered like the traditional bulk program
- Only pay for the fuel you use each month
- Contracts based on the gallons used each month
- Tank settlement (purchase contents of tank at any time)

When you use Cenex® Ruby Fieldmaster™ diesel and Cenex lubricants exclusively in your agricultural machinery, you are eligible to register for up to 10 years or 10,000 hours of engine and transmission coverage with the Total Protection Plan Warranty.
