

Does your propane supplier protect your family with ...

- Emergency services
- More than 20 propane delivery trucks and drivers to fill in for each other in case of breakdowns, vacations, or illnesses
- 75 years of experience in 2011
- Rural and agricultural community support
- A financially sound business that will exist for years to come
- A monthly budget plan to help you maintain financial stability
- Economic stimulus every year in the form of a cooperative refund
- Employment of more than 500 Wisconsin citizens, therefore improving the labor economy
- Charitable donations throughout rural Wisconsin
- An American-owned business policy

United Cooperative is a patron member of CHS (Cenex®), one of the largest propane retailers in the United States.

To warm your surroundings with a propane supplier you can rely on, call one of our United Cooperative energy locations.
